

Welcome to

The HIVE that THRIVES

Congratulations!

You've just made a great choice to join our hive and participate in the Greatest Gifting Economy the world has ever seen!

By registering and unconditionally gifting towards our crowd-funding initiative, you are not only securing your position in our Hive that Thrives, but you have also just become a Pioneer in an epic Revolution - a revolution that will change not only yours, but also the lives of millions of people across the globe.

Not just another Gifting Economy

Infinity Grid is set to take the world by storm as the first Gifting Economy to offer ground-breaking technology with smart algorithms and a complete online and app based system which offers **multiple opportunities** to create abundance.

Most Gifting Economies only offer 1 - and this is what will truly place Infinity Grid on another level.

Infinity Grid will be the most sophisticated system that has ever been developed! It promises to be super user-friendly, fun, easy to navigate and bursting with unique features that have never been attempted before!

It is in giving that we receive, and because you have been one of the first Pioneers to give – prepare yourself to receive in abundance!

Soft Launch Date

Infinity Grid's projected soft launch date is **20 January 2023. That's literally just around the corner!**

We encourage you to start spreading the buzz with other Pollinators who think like you, because once we hit that launch button, we will fly to infinity and beyond!
